

EXPANSION THRU EXPRESSION

Natural Law Classes with Rev. Diane Davis

Thursday evenings 7:30pm - 9:30pm
January 14 thru April 29, 2010
No class March 11 or 18

Come any Thursday evening for joyful exploration and discovery. How do you get through these times? How do you feel less limited and more in the flow of life? How do you find balance when life sometimes feels unbalanced? Expand your awareness. Embrace further understanding of the consciousness and energy that make up all things. Natural Law is an understanding of self and how we co-mingle with everything. Be aware of the effect you have upon the world. How you express those energies and how your awesome mind truly is a creator of great possibilities. You do not have control over all the overwhelming things in your life but you do have control of you. Find out more.

Diane has been a medium, teacher and intuitive counselor for over 31 years. Her classes are filled with laughter, insight and opportunity for greater awareness of self and life. Join in a dynamic series of classes for understanding and expansion all that you are.
